Practical, Plane and Solid Geometry, for Elementary Students

English for Life

With 100% new content, the third edition of Oxford's best-selling secondary course offers the tried and trusted Solutions methodology alongside fresh and diverse material that will spark your students' interest and drive them to succeed. Oxford University Press's best-selling course for teenagers is now available in a third edition, providing new and exciting content that is delivered using the successful methodology of the previous editions. The third edition offers a brand new comprehensive listening syllabus as well as word skills lessons, allowing students to master key listening sub skills, expand their vocabulary, and become confident communicators. Solutions turns all students into active learners, by offering a rich variety of learning opportunities for a whole range of abilities through extension and revision activities in all components - giving everyone a sense of achievement whatever their level.

A Handbook for Travellers in Durham and Northumberland

JETSTREAM is a brand new digital-age 6-level course for adult learners. Its carefully balanced pace and challenge offer a learning experience that is fun and motivating and which prepares students to use their English effectively in work and life.

Handbook for Travellers in Kent and Sussex

Traveller

For elementary and lower-intermediate students as spoken in the U.K. and in a wider international context. Twenty-one units contain: -short recordings of authentic speech in simulated situations; a variety of accents, both native-speaker and foreign; simple tasks with clear illustrations, which encourage students to sift out the essential information from what they hear; thematically linked reading and writing exercises; topics related to the real-life needs and interests of students and, by extension to the topics covered by most beginners courses. Teacher, student book will be useful for self-study, contains answers, extensive notes and a complete tapescript for each unit.
