The 10 stories in this collection are narrated by children and adolescents that each have a fascinating grasp of everyday reality. The lush imaginative power of youth

is revealed in the stories, as magical elements weave in and out and the narrators take over as creators—inventing imaginary girlfriends, older brothers, and ways to escape the harsh realities of growing up. While coping with the cruel reality of an exterior world in sharp conflict with their most intimate beliefs, the narrators provide lyrical insight into the fantastical realm of children through their first-person tellings.

It's about building something as unique as you are. In *The Build*, Robert Hoekman Jr compiles insights from today's best builders to help you plot out your own beautiful beast. Loaded with photos, *The Build* features firsthand advice from the masters of moto design, including John Ryland (Classified Moto), Alan Stulberg (Revival Cycles), Jared Johnson (Holiday Customs), Jarrod DelPrado (DP Customs), and the legendary Max Hazan (Hazan Motorworks).
