[Siren Menage Everlasting: Erotic Cowboy Menage a Trois Romance, M/F/M, public exhibition, HEA] Emma Rae Madison wasn't looking for one man, let alone two. After meeting Zeke Traynor at Clayton Forrester's Double Rider Men's Club security fortress by mistake, she's intrigued and wary. The first time Zeke sees the girl of his dreams, he can't resist her. But Clay won't introduce them. Zeke finds her later on at his bank, but before he learns her name, the bank is robbed at gunpoint. He takes a bullet saving her from a robber's immoral intent. Luke Benton was convinced a woman didn't exist for them. Until he meets Emma Rae over Zeke's hospital bed. He recognizes her as the one they've searched for. Now to persuade her. While Zeke recuperates, Luke woos Emma Rae. When the three come together, it's pure magic, and she agrees to move in. When she fetches her things from home, she finds the escaped robber waiting to kill her. She's the only living witness to his crime. ** A Siren Erotic Romance

From celebrated fitness trainer Chris Powell, star of ABC's EXTREME WEIGHT LOSS, comes this inspirational weight loss book to help anyone conquer their weight. You've seen him change lives on television. Now, in *Choose to Lose*, Powell presents fast and easy workouts, diet guidance, basic recipes, and insight into finding the true transformation mindset. Following his *Carb Cycle Solution*, you can drop pounds safely and quickly while learning how to listen to your body to optimize your overall health and fitness. Powell's easy-to-follow *Carb Cycle Solution* contradicts everything you've heard about avoiding carbohydrates in an attempt to lose weight. Not only does Chris encourage you to eat carbs, he will show you how to use them to amplify your weekly weight loss. By cycling between high-carb and low-carb days, your body will alternate boosting metabolism one day and burning fat the next. You will never feel deprived

of the foods you love, because you can fine-tune the solution to suit your needs. Powell gives you complete control over your nutrition plus plenty of opportunities to indulge, and offers many delicious recipes to help you stay on track. If you work it, the Carb Cycle Solution may very well work for you--for the rest of your life. With detailed exercises and accompanying photographs, as well as guidelines on how to revamp your environment, support system, and more, Powell not only shows you how to lose pounds, but also works with you as a coach and mentor, teaching you how to finally take control of the incredible machine that is your body. His words of encouragement will be there day after day as you build unstoppable momentum, guiding your body toward your ideal weight. Great physical change begins with a psychological one: Change your mind, change your body. - EAT MORE CARBS - BURN FAT - BUILD MUSCLE - QUICK-FIX RECIPES - NO GYM REQUIRED - CHEAT EVERY OTHER DAY

Preserving New York is the largely unknown inspiring story of the origins of New York City's nationally acclaimed landmarks law. The decades of struggle behind the law, its intellectual origins, the men and women who fought for it, the forces that shaped it, and the buildings lost and saved on the way to its ultimate passage, span from 1913 to 1965. Intended for the interested public as well as students of New York City history, architecture, and preservation itself,

over 100 illustrations help reveal a history richer and more complex than the accepted myth that the landmarks law sprang from the wreckage of the great Pennsylvania Station. Images include those by noted historic photographers as well as those from newspaper accounts of the time. Forgotten civic leaders such as Albert S. Bard and lost buildings including the Brokaw Mansions, are unveiled in an extensively researched narrative bringing this essential episode in New York's history to future generations tasked with protecting the city's landmarks. For the first time, the story of how New York won the right to protect its treasured buildings, neighborhoods and special places is brought together to enjoy, inform, and inspire all who love New York.

Intermediate Algebra, 6e is part of the latest offerings in the successful Dugopolski series in mathematics. The author's goal is to explain mathematical concepts to students in a language they can understand. In this book, students and faculty will find short, precise explanations of terms and concepts written in understandable language. The author uses concrete analogies to relate math to everyday experiences. For example, when the author introduces the Commutative Property of Addition, he uses a concrete analogy that "the price of a hamburger plus a Coke is the same as a Coke plus a hamburger". Given the importance of examples within a math book, the author has paid close attention to the most important details for solving the given topic. Dugopolski includes a double cross-referencing system between the examples and exercise sets, so no matter which one the students start with, they will see the connection to the other. Finally, the author finds it important to not only provide quality, but also a good quantity of exercises and applications. The Dugopolski series is known for providing students and faculty with the most quantity and quality of exercises as compared to any other developmental math series on the market. In completing this revision, Dugopolski feels he has developed the clearest and most concise

developmental math series on the market, and he has done so without comprising the essential information every student needs to become successful in future mathematics courses. The book is accompanied by numerous useful supplements, including McGraw-Hill's online homework management system, MathZone.

Updated for a new generation of bike lovers, Ultimate Harley Davidson is a visually stunning and comprehensive history of Harley-Davidson that charts the company and its bikes decade by decade. From the moment the first model rolled out of a backyard shed in Milwaukee, through Harley's postwar golden age, to the sought-after bikes that distinguish the company today, Ultimate Harley-Davidson presents seventy of the most beautiful and coveted Harleys of all time. Whether it's the 1911 V-Twin or the 1999 X1 Lightning, the seventy Harley-Davidson bikes examined are presented in minute detail, with close-ups of the engines and in-depth technical specifications.

For decades the crown jewels of Japan's postwar manufacturing industry, motorcycles remain one of Japan's top exports. *Japan's Motorcycle Wars* assesses the historical development and societal impact of the motorcycle industry, from the influence of motor sports on vehicle sales in the early 1900s to the postwar developments that led to the massive wave of motorization sweeping the Asia-Pacific region today. Jeffrey Alexander brings a wealth of information to light, providing English translations of transcripts, industry publications, and company histories that have until now been available only in Japanese. By exploring the industry as a whole, he reveals that Japan's motorcycle industry was characterized not by communitarian success but by misplaced loyalties, technical disasters, and brutal competition.

Denim Style

Renowned photographer Horst A. Friedrichs offers his inspirational take on the very best of contemporary denim style. Denim is one of the most versatile clothing materials and its loyal fans can be found everywhere. Over the decades it's been the symbol of farmers, rebels, hippies, and men in leisure suits. Denim is loved by designers for its durability and economy--and once again, the hottest fashion trendsetters are featuring the material in unprecedented iterations. In his signature style, Horst

A. Friedrichs has scoured the streets of London looking for the most interesting and exciting examples of denim fashion. This book takes in all aspects of the thriving denim culture, whose followers can be obsessive about how the denim is woven, the old shuttle looms that produce it, the people who weave it, and the skills and techniques they have and use. Pages of gorgeous photographs of denim wear will inspire today's style conscious and trendspotters alike.
